1. The Cost of Attendance (COA) does not include the [Document fee](#) of \$100. COA and award packages are automatically adjusted for incoming students.
2. The Cost of Attendance (COA) for the academic year includes the UC Student Health Insurance Plan (SHIP) of \$4,005 . Students may opt out of the UC Student Health Insurance Plan. For additional UC SHIP information, visit <https://wellness.ucsd.edu/studenthealth/insurance/uc-ship/Pages/default.aspx>.
3. Non-California resident and international students are not charged a Non-Resident Supplemental Tuition cost. Non-California residents will be considered for Federal Direct Loans only. International students will also be billed a one-time International Student Visa Administration fee of \$100. International students may apply for Private Education Loans to assist with educational costs.
4. The MDS California and Non-California Resident Basic Budget Total for Year 1 is \$56,872. Year 2 is \$24,210. Students enrolled in the MDS Program are not charged Non-California Resident Supplemental Tuition.
5. The COA above is based on a student living off-campus. A student living on-campus or living with a parent will have a different COA and can refer to the graduate student cost of attendance budgets for the various components and costs [Graduate Students Cost of Attendance \(ucsd.edu\)](#).
6. **MDS** students pay \$685 per credit unit. Summer term is based on 8 credit units taken. In Year 1 the academic year is based on 8 credit units Fall term, 8 credit units Winter term, and 8 credit units Spring term. In Year 2, the academic year is based on 4 credit units Fall term and 4 credit units Winter term. Actual units taken may vary based on each student's enrollment. The MDS Program requires 40 completed credit units and is a 2 Year program although some students may finish in less time.

-
- Students may submit [Cost of Attendance Add-On forms](#) with appropriate documentation for rent and utilities, transportation costs, computer purchases and/or increased books and supplies. **Submission of a request does not guarantee an approval.**
 - Financial Aid and Scholarships Office provides [Federal Direct Unsubsidized and Federal Direct Graduate PLUS Loans](#) and requires the [Free Application for Federal Student Aid \(FAFSA\)](#). [Private Education Loans](#) are available for domestic and international students. Inquire at the Financial Aid and Scholarships Office for lenders that accept international applicants. Your Major Department and/or the [Graduate Division](#) may provide other forms of financial support. [Scripps Institution of Oceanography, Master of Advanced Studies in Climate Science & Policy program costs and funding opportunities](#). You may be required to complete and submit the FAFSA to be considered for some types of graduate awards. FAFSAs are available beginning October 1st every year.
 - Students who are unable to complete the FAFSA and/or California Dream Act Application or who are enrolled in less than half-time (6 units), may be able to apply for a private loan. [Private Education Loans](#) are available for domestic and international students. Inquire at the Financial Aid and Scholarships Office for lenders that accept international applicants.
