

Master of Advanced Studies in Clinical Research

COST OF ATTENDANCE FOR 2021-2022

These figures may not be final. Actual tuition, fees, and charges are subject to change by the Regents of the University of California or, as authorized, by the President of the University of California. Accordingly, final approved levels and charges may differ from the amounts shown.

Use this estimated cost of attendance to help decide how much money you need to attend [Master of Advanced Studies in Clinical Research](#), and how much financial aid you may need to meet that goal. Your actual costs may differ.

This estimated cost of attendance is for the FULL-TIME, 12-MONTH, Summer Start Pace of Study. This program is available in [12-MONTH, 18-MONTH and 24-MONTH Paces](#). Refer to the program's financial webpage for more information, which may vary by Pace of Study selected.

ESTIMATED BASIC COST OF ATTENDANCE

California Residents and Non-California Residents

Books and Supplies	\$966			
Transportation Expenses	\$1,947			
Personal Expenses	\$1,642			
UC San Diego Health Insurance Fee	\$4,808			
MAS-CLRE Basic Cost of Attendance Totals for CA and Non-California Residents	\$66,867			

1. The Cost of Attendance (COA) does not include the [Document fee](#) of \$100. COA and award packages are automatically adjusted for incoming students.
2. The Cost of Attendance (COA) for the academic year includes the UC Student Health Insurance Plan (SHIP) of \$3,921 and as part of the UC Student Health Insurance Early Start Plan, the Summer premium is \$887.13. Students may opt out of the UC Student Health Insurance Plan. For additional UC SHIP information, visit <https://wellness.ucsd.edu/studenthealth/insurance/uc-ship/Pages/default.aspx>.
3. Non-California resident and international students are not charged a Non-Resident Supplemental Tuition cost. Non-California residents will be considered for Federal Direct Loans only. International students will also be billed a one-time International Student Visa Administration fee of \$100. International students may apply for Private Education Loans to assist with educational costs.
4. The MAS-CLRE (Full-Time, 12-Month, Summer Start Pace) California and Non-California Resident Basic Budget Total is \$66,867. Students enrolled in the MAS-CLRE Program are not charged Non-California Resident Supplemental Tuition.
5. The COA above is based on a student living off-campus. A student living on-campus or living with a parent will have a different COA and can refer to the graduate student cost of attendance budgets for the various components and costs [Graduate Students Cost of Attendance \(ucsd.edu\)](#).
6. [MAS-CLRE \(Full-Time, 12-Month, Summer Start Pace\)](#) students pay \$800 per credit unit for Summer and \$800 per credit unit for the academic year. Summer term is based on 10 credit units taken. The academic year is based on 12 credit units Fall term, 12 credit units Winter term, and 6 credit units Spring term. Actual units taken may vary based on each student's enrollment. The 12-month Summer Start MAS-CLRE Program requires 40 credit units for completion.

-
- Students may submit [Cost of Attendance Add-On forms](#) with appropriate documentation for rent and utilities, transportation costs, computer purchases and/or increased books and supplies. **Submission of a request does not guarantee an approval.**
 - Financial Aid and Scholarships Office provides [Federal Direct Unsubsidized and Federal Direct Graduate PLUS Loans](#) and requires the [Free Application for Federal Student Aid \(FAFSA\)](#). [Private Education Loans](#) are available for domestic and international students. Inquire at the Financial Aid and Scholarships Office for lenders that accept international applicants. Your Major Department and/or the [Graduate Division](#) may provide other forms of financial support [Master of Advanced Studies in Clinical Research Costs and Financing](#). You may be required to complete and submit the FAFSA to be considered for some types of graduate awards. FAFSAs are available beginning October 1st every year.
 - Students who are unable to complete the FAFSA and/or California Dream Act Application or who are enrolled in less than half-time (6 units), may be able to apply for a private loan. [Private Education Loans](#) are available for domestic and international students. Inquire at the Financial Aid and Scholarships Office for lenders that accept international applicants.
