

Master of Advanced Studies in Data Science & Engineering – Year 1 of 2

COST OF ATTENDANCE FOR 2022-2023

These figures may not be final. Actual tuition, fees, and charges are subject to change by the Regents of the University of California or, as authorized, by the President of the University of California. Accordingly, final approved levels and charges may differ from the amounts shown.

Use this estimated cost of attendance to help decide how much money you need to attend Jacob's School of Engineering's [Master of Advanced Studies in Data Science & Engineering](#), and how much financial aid you may need to meet that goal. Your actual costs may differ.

About the Data Science & Engineering Program (AESE): [DSE Brochure](#) and [2022-2024 DSE Calendar & Schedule](#).

ESTIMATED BASIC COST OF ATTENDANCE

California Residents and Non-California Residents

Cost of Attendance	Academic Year (33 weeks)			
Academic Year	\$23,545			
UC Per Unit Program Academic Year Costs: \$21,340 UC Systemwide Student Services Academic Year Fee: \$1,152 UC San Diego Campus-based Academic Year Fees: \$1,053				
Quarter Tuition and Fees

Transportation Expenses	\$526	\$526	\$526	
Quarter Cost of Attendance	\$15,183	\$17,123	\$17,123	
Housing and Meals				\$18,192
Books and Supplies				\$786
Personal Expenses				\$1,323
Transportation Expenses				\$1,578
UC San Diego Health Insurance Fee				\$4,005
MAS-DSE Basic Cost of Attendance Totals for CA and Non-California Residents				\$49,429

1. The Cost of Attendance (COA) does not include the Document fee of \$100. COA and award packages are automatically adjusted for incoming students.
2. The Cost of Attendance (COA) for the academic year includes the UC Student Health Insurance Plan (SHIP) of \$4,005. Students may opt out of the UC Student Health Insurance Plan. For additional UC SHIP information, visit <https://wellness.ucsd.edu/studenthealth/insurance/uc-ship/Pages/default.aspx>.
3. Non-California resident and international students are not charged a Non-Resident Supplemental Tuition cost. Non-California residents will be considered for Federal Direct Loans only. International students will also be billed a one-time International Student Visa Administration fee of \$100. International students may apply for Private Education Loans to assist with educational costs.
4. The MAS-DSE (Year 1 of 2) California and Non-California Resident Basic Budget Total is \$49,429. The MAS-DSE (Year 2 of 2) California and Non-California Resident Basic Budget Total is \$43,609. Students enrolled in the MAS-DSE Program are not charged Non-CA Resident Supplemental Tuition.
5. The COA above is based on a student living off-campus. A student living on-campus or living with a parent will have a different COA and can refer to the graduate student cost of attendance budgets for the various components and costs [Graduate Students Cost of Attendance \(ucsd.edu\)](#).
6. [MAS-DSE](#) students pay \$970 per credit unit. The first year of the 2-year program is based on 6 credit units Fall term, 8 credit units Winter term, and 8 credit units Spring term. Actual units taken may vary based on each student's enrollment. The 2-year MAS-DSE program requires 38 credit units for completion.

-
- Students may submit [Cost of Attendance Add-On forms](#) with appropriate documentation for rent and utilities, transportation costs, computer purchases and/or increased books and supplies. **Submission of a request does not guarantee an approval.**
 - Financial Aid and Scholarships Office provides [Federal Direct Unsubsidized and Federal Direct Graduate PLUS Loans](#) and requires the [Free Application for Federal Student Aid \(FAFSA\)](#). [Private Education Loans](#) are available for domestic and international students. Inquire at the Financial Aid and Scholarships Office for lenders that accept international applicants. Your Major Department and/or the [Graduate Division](#) may provide other forms of financial [support Master of Advanced Studies in Data Science & Engineering costs and financing](#). You may be required to complete and submit the FAFSA to be considered for some types of graduate awards. FAFSAs are available beginning October 1st every year.
 - Students who are unable to complete the FAFSA and/or California Dream Act Application or who are enrolled in less than half-time (6 units), may be able to apply for a private loan. [Private Education Loans](#) are available for domestic and international students. Inquire at the Financial Aid and Scholarships Office for lenders that accept international applicants.
